Mr. Robert Johnston

PMO– Natrona County

136 S. Wolcott, Suite 304

Casper, Wy 82601

I 'am pleased to endorse the Prevention Management Organization of Wyoming. The management and staff of PMO are well-informed in the field of prevention and we have grown accustomed to their timeliness and efficiency.

We highly recommend that the PMO continue to be a part of Wyoming's state plan to deliver Prevention Programming throughout the Great State of Wyoming.

Sincerely,
