121 Grand Avenue, Suite 206
Laramie, Wyoming 82070

Dear Tracy,

I am writing today to express my sincere support and hope, that the Department of Health, through the Wyoming State Legislature, continues to support the Prevention Management Organizations (PMO), within the State of Wyoming.

Over the past several years, I have witnessed the good work that the PMO accomplishes, within Albany County. As Sheriff, I regularly attend meetings sponsored by the PMO, which has covered areas of mutual concern such as substance abuse, tobacco cessation, and suicide prevention, to name a few.

Over a career of nearly forty years, the PMO has been the most successful organization I have worked with, in bringing a multi-disciplinary approach to community issues. The PMO brings a myriad of people together, in collaboration, to deal with some of the most complex issues of our time. I am not certain this collaboration would be realized without the efforts, and direction of the PMO.

If there is anything I might be able to accomplish, to insure that the PMO's around the State of Wyoming continue to receive appropriate funding, do not hesitate to call on me.

Sincerely,

A handwritten signature in cursive script that reads "David S. O'Malley". The signature is written in black ink and is positioned above the typed name.
