Dear Charlotte and Rachel:

The Cody Chamber of Commerce is pleased to offer its support for your application for continued funding. The work you do regarding substance abuse and suicide prevention is critically important to our community.

The training you provided free-of-charge for our Chamber staff regarding how to recognize the signs of depression and how to intervene to help those who are having suicidal thoughts helped us to develop skills we use in both our work and personal lives. We look forward to working with you again to offer that training to our new staff.

We are also pleased to hear that last year's Wellness Roundup was well received and that our participants wish to replicate the week-long series of events this year. We enjoyed our collaborations on this event and look forward to making this year's Roundup an even bigger success.

Sincerely,

Tina Hoebel-Heinrich, Executive Director
Cody Chamber of Commerce
