RE: Letter of Reference to Support the Prevention Management Organization's (PMO)  
Application Under Request for Proposal No. 0101-B (Wyoming Prevention Technical Assistance  
Coordinator)

Dear Selection Committee:

Following as resolution by the Suicide Prevention Task Executive committee I am writing to express our support for the Prevention Management Organization's application for the request for proposal mentioned above.

Dedicated and talented PMO staff provided expert technical assistance to the Fremont Count Suicide Prevention Task Force in an effort to plan and execute suicide prevention activities in Fremont County. Their assistance has included supporting the Task Force meetings and activities, and completing a restructuring of the Task Force and Executive Committee into a more effective organization.

As a result of the technical assistance and support provide by the PMO our Task Force and its Executive Committee were able to restructure or reorganize our prevention efforts to be more orderly, efficient, and productive, and to better meet evidence based standards for our efforts.

We expect the high quality assistance provided by PMO will continue to be useful to us in guiding the efforts of the Task Force and Executive Committee.

The high-quality technical assistance PMO provides adds value to our work at the local level. I would recommend that the PMO continue to be the prevention technical assistance coordinator to serve and support communities across the state in achieving their prevention goals.

Sincerely,

Richard Lefevre, M.A  
Chairperson Fremont County Suicide Prevention Task Force and Executive Committee  
Organization/Coalition

Cc: PMO Fremont County
