RE: Letter of Reference to Support the Prevention Management Organization's (PMO)
Application Under Request for Proposal No. 0101-B (Wyoming Prevention Technical
Assistance Coordinator)

Dear Selection Committee:

I am writing to express my support for the Prevention Management Organization's
application for the aforementioned proposal.

PMO staff has provided expert technical assistance to Goshen County School District #1
in an effort to provide suicide preventative education to our staff and students.

As a result of the this support provided by the PMO the district has been able to increase
the awareness in our district and in our community to help identify individuals who may
be at risk of depression, which could result in suicide attempts.

I would recommend that the PMO continue to be the prevention technical assistance
coordinator to serve and support communities across the state in achieving their
prevention goals.

Sincerely,

Jean Chrostoski
Superintendent
