

Kemmerer Junior/Senior High School

Lincoln County School District #1

P.O. Box 335, Diamondville, Wyoming 83116

Telephone 307-877-6991 Fax 307-877-6911

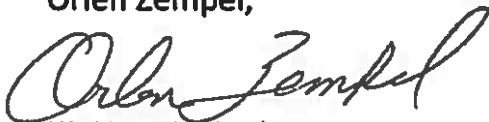

To: Wyoming Dept. of Health

I am writing this note of support for the services and resources that have been made available to us through the Prevention Management Organization, located here in Kemmerer. Each fall the Kemmerer office provides us with personnel and resources for us to complete the mandatory suicide training.

Britney Ritter has organized materials, and taught the Lincoln County School District staff the principles of the Suicide Gatekeeper Training QPR. We appreciate having access to such trainings, and being able to work with quality, and qualified trainers.

I hope that in the future we can continue to use these services, as they benefit the health and welfare of the students in Lincoln County.

Orlen Zempel,

KJSHS Principal
