Kemmerer, WY 83101

Brittany,

I am writing this letter in support of the Prevention Organization and more specifically your prevention efforts here in Lincoln County. Your work in the areas of prevention have made a difference in Lincoln County and its communities. The effort you have put in the Star Valley Prevention Coalition is shown by all the organizations that are involved in prevention on Star Valley. Over the past years you have continued to bring ideas and projects to our communities that make a difference and focus on areas of concern through prevention.

Your continued work with local governments on keeping alcohol out of the hands of underage kids is paying off. Demerit point systems, TIPS training and education campaigns have made our county a safer place.

Lincoln County Sheriff's Office fully supports the efforts of the Prevention Management Organization and the continued funding of its efforts in Lincoln County.

Sincerely

A handwritten signature in blue ink that reads "M. Shane Johnson".
