RE: Letter of Support

Dear Lisa,

I would like to begin by thanking you and the Prevention Management Organization for all your help and collaboration with Memorial Hospital in 2015. Your office's assistance with the smoking cessation program, marijuana awareness program, and community health fair were critical to the success of our hospital's community development programs last year.

I especially would like to congratulate you on the success of the New Year's Eve Party for our community's youth and encourage your continuation of that event and others in the future. Please know Memorial Hospital believes in the importance of such programs and is happy to offer our continued support in the future.

Sincerely,

Karl Hertz
Assistant Administrator
