Northern Wyoming Mental Health Center is pleased to provide this letter of support for the Johnson County Prevention Council, the Suicide Prevention Coalition, and Prevention Management Organization of Wyoming.

Our agency and staff has been fortunate to participate in the Johnson County Prevention Council and the Suicide Prevention Coalition of Johnson County for many years. Prevention efforts in the areas of substance abuse and suicide positively impact the health of individuals in our community.

The working relationship we have with the Johnson County Prevention Council, the Suicide Prevention Coalition, and Prevention Management Organization of Wyoming helps to enrich this community by providing various resources for people in need. It is our belief that continuing to provide resources, networking with the resources available, and expanding upon these various resources within our community makes for a safer, healthier, and a more proactive community for the people who live in Johnson County.

Our agency fully supports the Prevention Management Organization of Wyoming, the Johnson County Prevention Council and the Suicide Prevention Coalition and look forward to continuing to expand our ability to collaborate to fill the needs for Johnson County.

Sincerely,

Collin Beecher
