Dear Ms Crumpton,

Thank you and the Prevention Management Organization of Wyoming for your work toward suicide prevention along with alcohol and other drugs.

It has been a pleasure working with you to make it possible for more than a hundred people (Home Workers, Juvenile Probation Officers, Law Enforcement Officers, Parents, Clergy, Counselors, and Teachers to name a few) to receive the ASIST training. Your dedication to addressing our high suicide rate is to be commended and I look forward to working with you in the future.

When you want to offer another class please feel free to call us.

Thank you.

Sincerely yours,

Rev. Kay E. Grice
