R.E.: Mary Buchanan, PMO in Worland, Wyoming.

PMO / To Whom It May Concern,

I would like to express my gratitude for the great and professional work Mary Buchanan does here in Washakie County. Her support and assistance with the T.I.P.S training program, the anti-marijuana education campaign, the CIT training and our 24-hour med drop box are instrumental in educating and making our community aware of those various issues.

Her support and help greatly increase the effectiveness of the above mentioned programs and to the effectiveness in the support of our local community in combatting addiction. Her efforts are greatly appreciated and I believe the programs in which she is involved and the work she does for PMO is irreplaceable.

Steven R. Rakness
