To Whom It May Concern:

I am writing this letter of reference on behalf of the Prevention Management Organization of Wyoming (PMO) and its statewide efforts targeting alcohol, tobacco, other drugs, suicide prevention, and wellness.

Wyoming Behavioral Institute has worked closely with the PMO since its inception in July 2012, primarily on suicide prevention.

We recommend PMO's inclusion in the State Plan to deliver prevention programming to all of Wyoming, in the form of professional community wellness programs.

Sincerely,

Shea Ward
