Dear Ms Crumpton:

I support the work of the Prevention Management Organization of Wyoming (PMO) and want to see your organization succeed in your grant application through the Wyoming Department of Health. As a Wyoming legislator serving on the House Labor Health and Social Services Committee, I see the need of people in Wyoming, particularly Sweetwater County, participating in prevention interventions in the areas of alcohol, tobacco, other drugs, and suicide prevention. PMO's are doing great work around the state. In Sweetwater County you are accomplishing great things. One that comes to mind is joining forces with the local Healthy Behaviors Coalition, helping others toward a healthy Wyoming.

Thank you for the opportunity to offer my support and please keep me abreast of your future success.

Sincerely,
